### 5 | Wrap-Up Activity

**SUPPLIES**

- Bibles

**LEADER TIP**

- Take the time to show everyone how to look up passages in the Bible. This is an important skill for the kids to learn!

**INSTRUCTIONS**

- Gather everyone back together.
- Make sure everyone has access to a Bible.
- Explain that you're going to look up one of the most well-known Bible passages: John 3:16.
- Ask if anyone knows how to look up this verse.
- Invite them to show the rest of the group how to find it. If needed, guide everyone to:
  - Find the contents at the front of the Bible.
  - Find the book of John in the list of books. Be sure it's not one of the "other" Johns (i.e., 1 John, 2 John, or 3 John).
  - Find the page number and flip to it.
  - Find the big "3." Explain that it's a chapter.
  - Explain that the smaller numbers are verses. Find verse 16.
- Ask a couple of kids to each read a sentence of the verse.
- Discuss: What does this verse mean to you?
- Remind the group that **God invites us to join his team.**
- Emphasize that Jesus died so that we could be close to God. That's how much God loves you and me!
- If time permits, guide everyone to use the same process to look up the Key Verse (Romans 8:38). Give them prompts as needed.
